

# Gift of Time Raffle

~Monday, Jan 9, 2017 through Sunday, Jan 22, 2017~

## Share Fun Times with Your Favorite Staff Member!

Once a year, Carrillo Elementary staff participates in the "Gift of Time" fundraiser, an opportunity to create fun and rewarding activities to enjoy with the kids of Carrillo. These activities will be raffled off between Mon, Jan 9 to Sun, Jan 22, to assist with raising money for PTO supported programs such as art, science, music, PE, and after school programs. 100% of the proceeds from the Gift of Time are awarded to these programs.

### How this fundraiser works:

- Parents discuss the activities on the back of this flyer with their child(ren) and decide which activity or activities they will bid on.
- Parents purchase raffle tickets online by clicking on the shop/donate tab on the <http://www.myvlink.org/carrillopto/> website or by submitting the attached paper raffle ticket purchase form. Raffle tickets cost \$10.00 each. Paper raffle ticket purchase forms must be completed and turned into the green basket in the front office with a check made out to Carrillo PTO or paid by cash.
- Parents indicate the number of raffle tickets they would like to purchase for each activity when purchasing online or submitting the attached paper purchase form. Any staff member/activity can be bid on even if the staff member is not a child's teacher. Purchasing multiple tickets for activities will increase your child's chances of winning! There is no maximum on the number of raffle tickets parents can purchase for each activity or the number of activities that can be bid on.
- EZ Pledge members receive one \$10.00 raffle ticket with their EZ pledge donation. This purchase must be submitted via the attached paper raffle ticket purchase form. Additional raffle tickets may be purchased via paper raffle ticket form or online by clicking on the shop/donate tab on the <http://www.myvlink.org/carrillopto/> website.
- Notification of winners will be sent via e-mail to parent (or by phone if no e-mail is provided with ticket purchase), the child's teacher, and the staff member responsible for the activity. Winners will also be announced on the PTO website.
- Parents of children who win and staff responsible for activity must coordinate date & time of activity. Activity should be completed prior to the end of the 2016-2017 school year.
