

# HOMEROOM

# Liaison

## I'M A HOMEROOM LIAISON - NOW WHAT?

- **Pray** for your child's teacher regularly and if possible e-mail words of encouragement to your teacher throughout the year.
- **Reach out** to your teacher periodically to see if they need anything.
- **Introduce** yourself to your fellow parents and ask for help when needed. **No need to try and do everything alone.** Stay connected

### TEACHERS BIRTHDAY

Celebrate by treating your teacher to one of their favorite things. Summer birthdays are celebrated on their 'half birthday' six months later.

The Teacher's Favorite Things are available on the PTO website (login required to view the info).

### EVENTS FIELD TRIPS

In the event that your teacher needs volunteers, you will be contacted. If you cannot help, your teacher will reach out to the other parents.

### OUTREACH

Be creative - reach out to families in your classroom to foster better community and getting to know other families, whether only for moms or a fun event for your class.

### CHRISTMAS CELEBRATION

Usually held the last day before Christmas. Work together with your fellow grade homeroom liaisons to see where you could work together. Remember to first reach out to your own homeroom teacher. Ask parents to contribute where applicable.

*Merry Christmas*

### GALA

Work together with the Foundation Office to get collections from parents for our EC Gala

### THANK YOU

Thank you for volunteering to be homeroom liaison and committing to support your child's homeroom teacher.

*Thank you*

## WHO CAN BE A HOMEROOM LIAISON?

Any mom or dad, whether you work full time, part-time, or from home.  
No experience necessary!
