

## **MINUTES: ECMS PTO MEETING**

### **13 January 2023**

#### **Welcome, Opening prayers and remarks**

1. Mr. Lazor welcomed everyone present and opened in prayers. Specific prayers for Christina Strange and her kids Grace (7th) and Sam (4th). Husband and father, Scott Strange, passed away Monday night after a long terminal illness battle. Some parents are working together to see how they can support the family and will reach out to you soon.
2. Mr. Lazor said there have been so many changes in our school since he started as principal and it keeps changing. The changes have been good and we have more changes coming up not just with the 3rd graders moving to the Wyckoff campus but also additions to our school and playground. Students are loving the blacktop and basketball courts.

#### **Recap Past Events**

1. **Raise Craze** - thank you to all the families and the students that supported this Fundraising through the Kindness initiative. We had such positive feedback from hosting this fundraiser that not just benefited us but also showed kindness in our community. The student had about 370 AOK excluding the work they did on the hands-dirty day. Mr. Lazor had a wonderful silent night sleeping on top of the school roof as well as getting slimed with Mr. Otten. The students loved this. We still have Mrs. Brain and Ms. Merkley that will be kissing a pig in the springtime. The 4th graders enjoyed their ice cream sundae reward for doing the most acts of kindness.
2. **Back to School Game Night** - we celebrated back to school with a family 'five in a row' game night. This was a fun evening where everyone had the opportunity to meet families and reconnect with old families.

3. **Fall Family PhotoShoot** - We collaborated with Justin van Dyke to take family portraits and all spots were filled. Participants who received their photos were very happy and we have seen a few of them on Christmas cards.
4. **Dad's night out** - Thank you so much to all the Dads who attended the Ax Throwing Night. This event was attended by dads from all three campuses. Fun was had by all!
5. **Student Christmas Parties** - thank you to all the HomeRoom Liaisons for organizing and putting together great Christmas Parties for the students.
6. **Parents in Prayer** - a reminder that parents meet each Monday at 8.15 in the art room.

### **Financial Update**

1. **RaiseCraze** - We had a very successful fundraiser that raised \$24 000! Thank you for all your generous contributions. The majority of the funds will be used to purchase a climbing structure to expand our playground. It will be a wonderful addition to the playground also for our 3rd graders next year.
2. We have also allocated some of these funds to purchase **books** for each of the classrooms as well as for the library as well as our **student carnival** event. Teachers have already purchased books that are already being used by our students.
3. **Staff Christmas Donations** Thank you again for blessing all our teachers and staff with your very generous donations. It is greatly appreciated.

2. Thank you to all who helped serve **Pizza and CFA** during the first semester. We are in **desperate need of volunteers to sign up specifically for pizza duty**. We need parents to sign up even if they just do it once. If you have never done this before, we always ensure someone seasoned is with you so you can learn how to serve the pizza and CFA. **Tue CFA & Thu Pizza -11.15am-12.15 pm**
3. **Wednesday Lunch Coverage - *The teachers need you*** to help supervise the students during lunchtime. Feel free to enjoy your lunch at the same time. This is **open to any parent** not just if your student is in 5th or 6th gr. **Each Wednesday from 12:05 - 12:25 pm**. This is an easy and fun way to see your student with their friends at lunchtime. The teachers are using this time to collaborate about their classes and how and what they are teaching together.

4. ***PTO Team for 2023/2024*** - Carolee, Lynette, Pam, and Laura are stepping down from the PTO at the end of this year. Nancy Peralta and Thelma Minnaar will continue to serve on the team. We have created a **nomination/interest form** - if you are interested in serving in a role and/or would like more information please complete the form so we can get in touch. Also, if you know of someone who you think would be a great addition to the PTO, **please nominate them**, so that we can discuss the possibilities with them. We would love to have a new team in place by April to get them started on the planning for next year.

5. In order for our community building, fundraising events, and to continue to support our students in staff, we need parents to step into the PTO roles. **No experience is necessary**, you just need the **willingness to serve your students and community. Tag a friend and sign up together.**

## **EC FOUNDATION**

1. **Maura Burns** introduced herself and Tonnie Chen. Maura explained that the **Foundation is the fundraising arm of Eastern Christian School** responsible for raising “**Annual Funds**” that **benefit every child**, on every campus, every day by providing enhancements or covering specific expenses that are not covered by tuition.
2. Maura introduced her colleague **Tonnie Chen**. Tonnie reminded us that the **annual EC Auction Gala will be held on April 20, 6-9 pm** and that the **Auction Gala is EC’s largest fundraiser of the year!** The Auction Gala will kick off with a cocktail hour and Silent Auction where people can bid online for wonderful items and experiences. It is a fun-filled evening but the best part is that all proceeds go to benefit every child on every EC campus, especially, our **Fund-A-Need program**. The Fund-A-Need program will support our PTO to help us to complete the installation of our new playground equipment.
3. The Foundation is moving away from all the baskets for the Middle School and High School and would like each grade to sponsor an ‘experience’ or item. Each grade collects funds to go towards the purchasing of a Class Sponsored auction

item or experience. Let Tonnie know if you have any discounts or connections to retailers or experiential opportunities that we can use for the auction.

4. If you are **interested in volunteering with Auction Gala planning** or during the evening of the event, please let Tonnie know.
