Streamlined Registration

You will love our one-stop registration platform. Sign up for multiple enrichment classes, for more than one child at a time, all in one place with one profile and one payment!

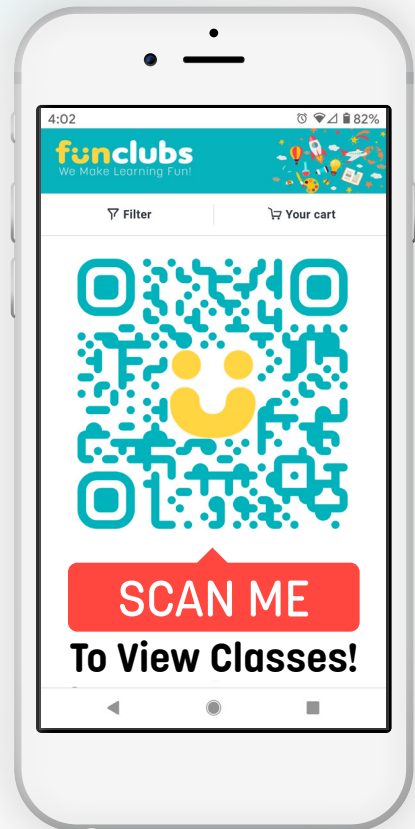

Schedules & Class Details

Quickly see all of the after-school enrichment classes at your school in one easy-to-read calendar view. Review all procedures, program policies, and dismissal times at a glance!

Support Your School!

Enrichment classes give back 10% to your school for every child that registers. These funds go directly back to your school, your teachers, and your child's education!
