

Lockeland Design Center Elementary (LDC) is a public magnet school designed with a specific emphasis on literature and language located in East Nashville.

Apply 

- ◆ **Vision:** We are Lockeland: giving choice, empowering individuals, promoting thinkers and problem solvers, creating community, and inspiring a passion for learning.
- ◆ **Mission:** The mission of Lockeland Design Center is to nurture and inspire the whole child by utilizing data and research based decision making to create a rigorous and positive learning environment that celebrates diversity and empowers students to reach their full potential while making a positive contribution to our community.
- ◆ In addition to the core subjects offered at Lockeland, students receive Spanish, Art, Music, and Physical Education instruction. A School Counselor, Instructional Interventionist, Reading Specialist, and Technology Specialist support student learning. With a focus on rigorous academics taught by nurturing and encouraging teachers, Lockeland students excel both inside and outside the classroom.
- ◆ Lockeland is a Reward School. Third and fourth graders regularly place in the top five percent of students in the state for performance and progress as measured by overall student achievement levels under the accountability system.

**LDC is part of the Metro
Nashville Public School
Choice Program**

**Anyone can participate,
with applications due
February 1, 2019**
