

# How-To Access iReady for Students

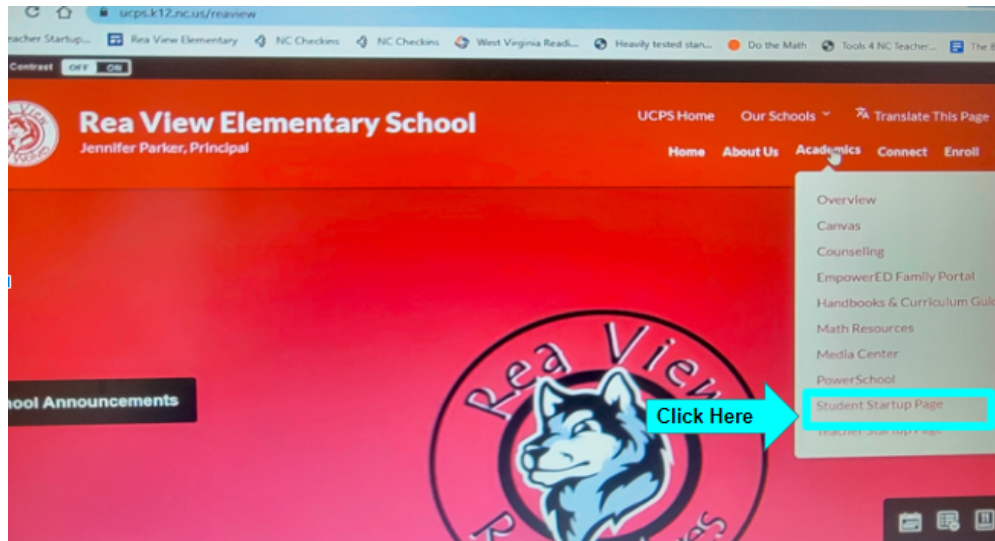

Step 1: Go to the Rea View Elementary Startup page

Link: <https://www.ucps.k12.nc.us/reaview>

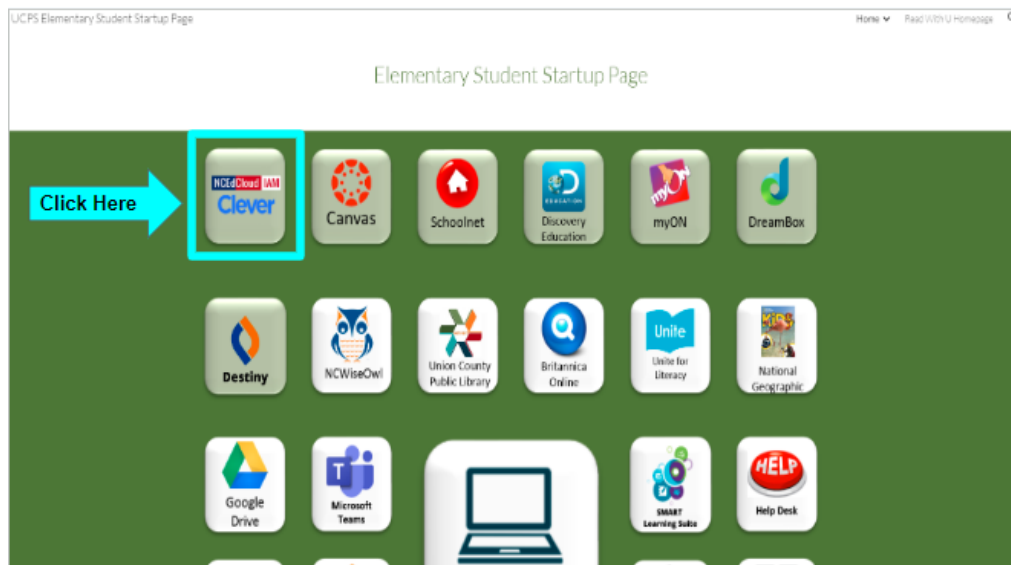

Step 2: On the top red bar, click on the word “Academics” until you see the pulldown as shown below:

Step 3: Select Student Startup Page.

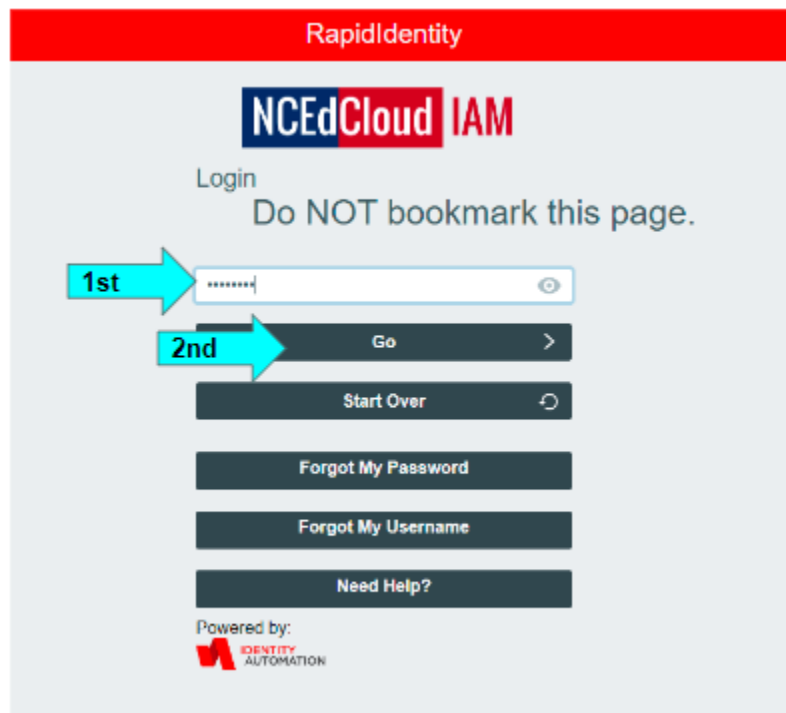

Step 4: Select the NCEdCloudIAM/Clever icon in the top left corner as shown below.

Step 5: Make sure the top pulldown should say NCEdCloud. Then, enter your child's username in the box labeled "Username" and select "Go".

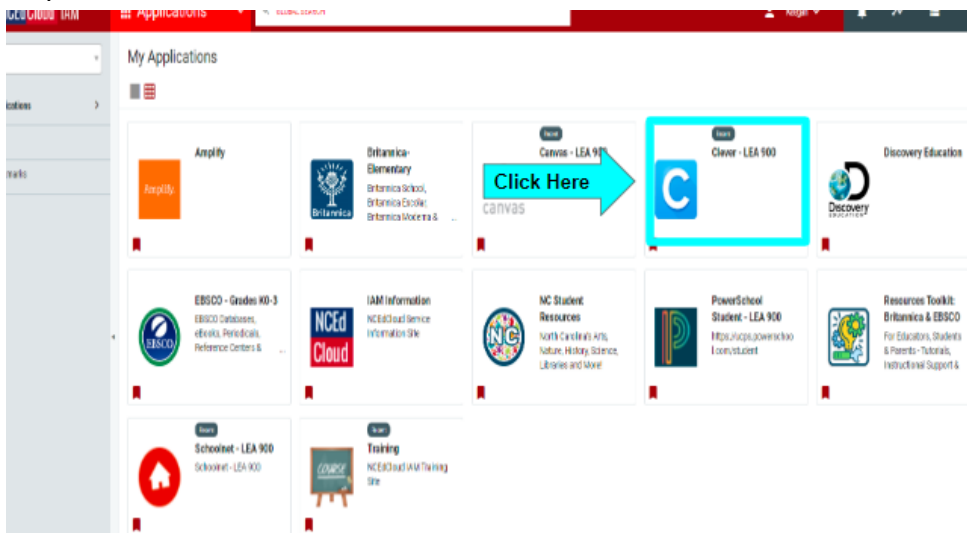

The screenshot shows the 'NCEdCloud IAM' login page. At the top, it says 'RapidIdentity'. Below that is the 'NCEdCloud IAM' logo and the text 'Login Do NOT bookmark this page.' There are three red arrows pointing to the login fields: '1st' points to the 'NCEdCloud' pulldown menu, '2nd' points to the 'Username' input field, and '3rd' points to the 'Go' button. Below the 'Go' button are links for 'Scan Student QR Code', 'Don't have an account yet? Claim your account', 'Claim My Account', 'Forgot My Password', 'Forgot My Username', and 'Need Help?'. At the bottom, it says 'Powered by: IDENTITY AUTOMATION'.

Step 6: Enter your child's password and then select "Go".

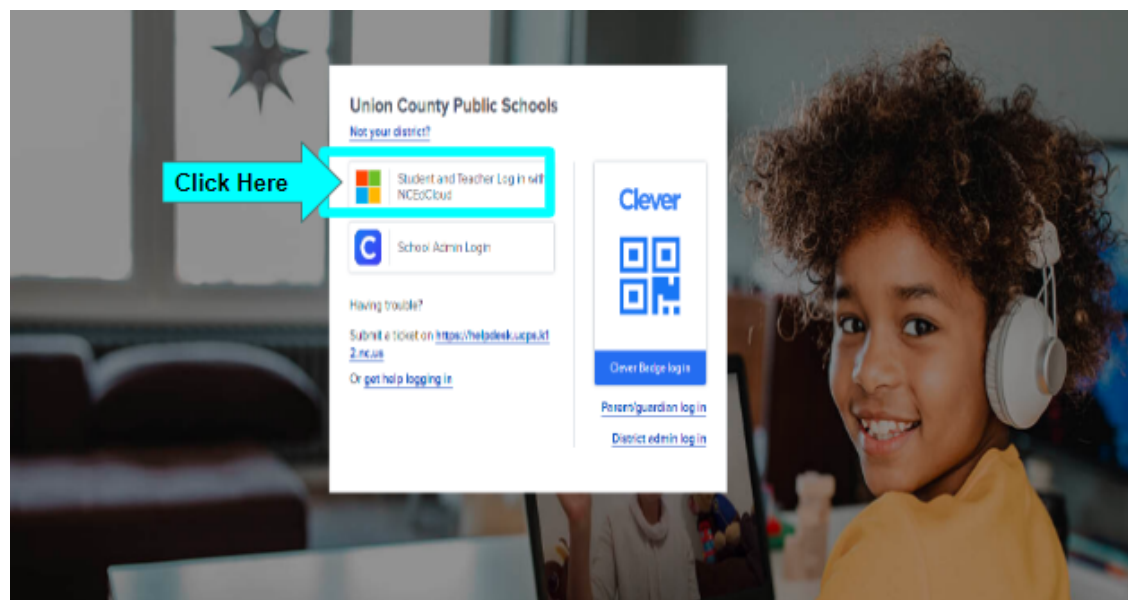

The image shows the login page for NCEdCloud IAM. At the top, there is a red banner with the text "RapidIdentity". Below this, the "NCEdCloud IAM" logo is displayed. The word "Login" is centered, followed by the instruction "Do NOT bookmark this page." Below the instruction, there is a password input field with a red arrow labeled "1st" pointing to it. To the right of the input field is a "Go" button with a red arrow labeled "2nd" pointing to it. Below the "Go" button are three more buttons: "Start Over", "Forgot My Password", and "Forgot My Username". At the bottom, there is a "Need Help?" button. The page is powered by "IDENTITY AUTOMATION", as indicated by the logo at the bottom left.

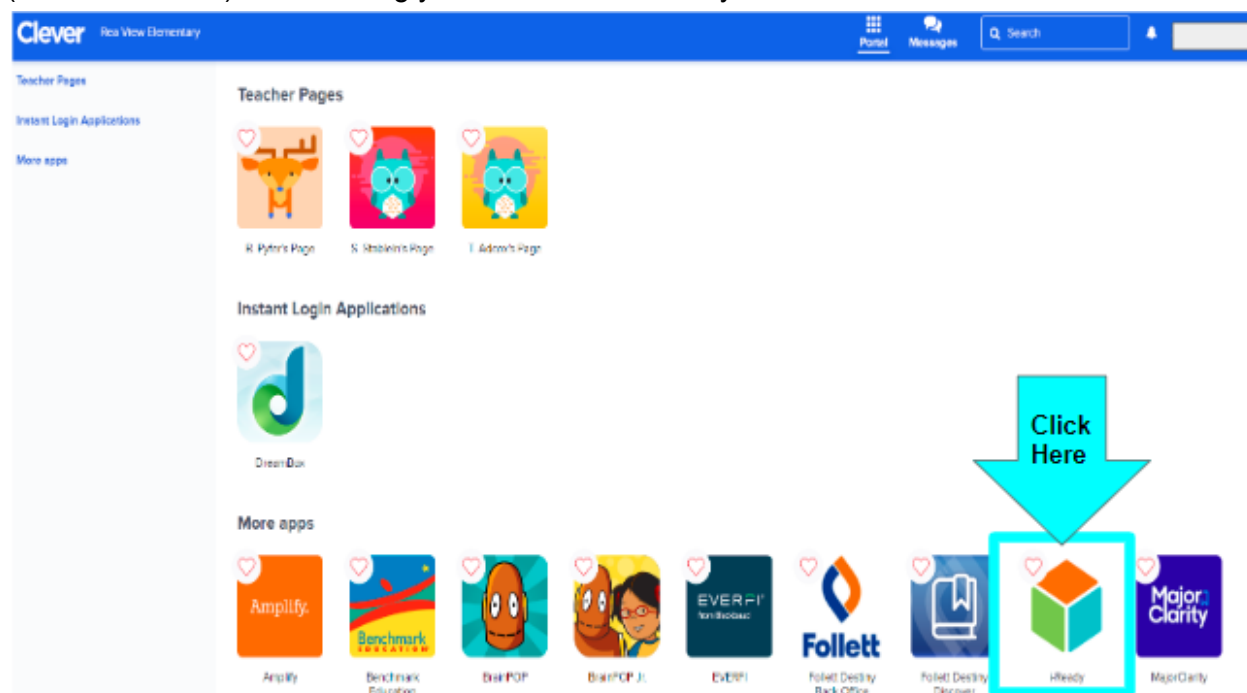

Step 7: Click on the Clever icon within NCEdCloud as shown below.

Step 8: Click on the box that says “Student and Teacher Log in with NCEdCloud” as shown below.

Step 9: Once you are on the Clever startup page, click on the iReady icon that looks like a cube (as shown below). This will log your student into iReady.

Step 10: Select the designated subject as assigned by the teacher. This will either load a diagnostic assessment (if the student hasn't already taken one on iReady, or their customized learning pathway).
