

C.A.R.E. CORNER

News, Reminders & Inspiration!

Last year, CARE established a partnership with East Elementary. East is a title 1 school in UCPS, located in Monroe.

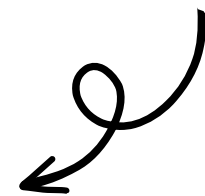

We show ongoing support to the teachers at East by donating coffee, tea & snacks to their "Collab Lab." Last spring, we partnered with their students on a fun community service project to support Promising Pages. We look forward to this partnership growing!

We have the EASIEST way for our entire school to support East all year. It really only takes a few minutes! (We promise!)

Did you know you can link your Harris Teeter Vic card to as many as 5 schools? Linking to others shares the love & doesn't take any money away from Rea View. So... if we all link our VIC cards to East & Rea View, BOTH schools earn money!

HARRIS TEETER - LINK VIC CARD HERE!

SCHOOL CODE FOR EAST: 2924

News, Reminders & Inspiration!

Here is our friend, Mrs. Miller, who is the AP at East Elementary (and a former teacher at RVE). She was thrilled to receive our last batch of donations for their staff "Collab Lab." They are now stocked with coffee, tea, and treats for their hard-working teachers. Thank you to our CARE parents for supporting this effort to show love!
