

Good evening Shark Nation!

Course Selection for FY25 has begun. The course selection process will be explained in English classes. Please speak with your child in regards to their choice of electives for next year. Your child will visit the theater soon with counselors to choose their electives for FY25. All core classes will be chosen by teachers and administration. Please check your email as emails are sent out separate from the callout. Core teachers will use current grades, prior grades, and test scores to place students in core classes and academic (AICE and AP) electives. Administration will revisit all course placements in the Spring and Summer when NEW test scores come in for this year and will make adjustments accordingly. Please reach out to your child's counselor if you have any questions. Counselor assignments are on our website.

All members of **National Honor Society**: Please review the Google Classroom, listen to the morning announcements, and check Remind. You must review the information from our video meeting and sign the acknowledgment that you understand the requirements. **Failure to meet requirements will impact your eligibility and membership.** See Ms Donnino with any questions or email angela.donnino@palmbeachschools.org

ANY student taking a **Cambridge** course this year received a **Statement of Entry** and **Notice to Candidates** paper from one of their teachers this week. It is VERY IMPORTANT that students review the information and are sure to follow all the rules that are listed so as not to invalidate a test taking session. Questions can be directed to Mrs. Mara J. Goron, Assistant Principal/Cambridge Coordinator at mara.goron@palmbeachschools.org or students may stop in to see her before school or during lunches in the 1000 Building.

Applications for the **Chick-Fil-A Leadership Academy (CFA)** are now open for upcoming Juniors and Seniors! **CFA** is a unique organization that combines students from all backgrounds to join in one goal: community service through leadership. Unlike other clubs and academies, no one member has the same interest or focus, and the result is a diverse group of driven students. It is not only a respectable addition to your resume, it is an opportunity to meet new peers and affect change in a meaningful way – with some food on the side! If you are interested in applying for **CFA**, please grab an application packet from the Blue or Silver Suite and submit it to Mr. Torres in room 8-140. **Deadline for applications is Monday, February 26.** We only have 60 spots. Please contact Mr. Torres (frank.torres@palmbeachschools.org) or Mrs. Wilson (loren.wilson@palmbeachschools.org) with any questions.

As many of you are aware the **School District** has purchased **metal detectors** for all high school campuses. The metal detectors have arrived and we are receiving training and direction on their implementation. While we await the delivery and implementation of the detectors themselves, we have adopted a gradual approach to prepare our students for this addition to school safety at Spanish River. This week we began scanning IDs at all three of the entrances to our campus. Early in the week took some calibration, but by the end of this week our Sharks had adjusted to the new procedures, coming a bit earlier and being ready with IDs. We thank you for your support in those efforts. The last step of this process will include the metal detectors, which is still in the planning stage. Any student without ID can inquire with their Suites or main office to retrieve a replacement. Thank you for your cooperation and understanding as we seek to continue to maintain a safe and secure environment.

This upcoming week our Black Student Union is excited to bring their **Black History Month** Spirit Week to our Shark community. This year's week will feature African Americans and their contributions to the arts. The week will include: dress up days, courtyard events, and will culminate with an amazing African American Cultural Heritage Assembly on Friday. Attached to this email you will find the calendar of dress up and events.

We hope everyone enjoyed their time on campus this past Tuesday for Acceleration Night. You should have noticed if you've been around for a few years that **we continue to make upgrades to our campus**. We appreciate the support we've received from our families over the years helping us beautify our campus. **We want all of our Sharks-past and present- to be proud of our campus. If you can help by donating below we can continue to keep our campus in amazing shape for our entire community to enjoy.** To donate, please use the following link: [Athletics Beautification Fundraiser](#).

They are easy to make, no sew fleece blankets given to local rescues so that every animal is adopted with something of their own. Materials and directions are provided. Any questions, please email angela.donnino@palmbeachschools.org.
