

Good evening Shark Nation!

Happy Mother's Day to all our Momma Sharks!

This is a reminder to all of our Shark families - there is **NO SCHOOL** tomorrow, Monday, May 13th due to graduation ceremonies for the Class of 2024. ***The ONLY students that should be reporting to campus are students that have an AP or AICE exam scheduled.***

Congrats to our Lady Shark **softball** team for continuing their winning ways! They went on the road to Cypress Bay High School this past Thursday and won big to move on in the FHSAA Softball Regionals. They will take on Western High School on **Tuesday, May 14, 2024** at 7:00 pm.

Please read the entire callout for important upcoming testing dates.

Congrats to our 9th and 10th graders for completing their PM3 but there are still IMPORTANT EOCs that count for 30% of their FINAL grade in the course. Students need to read their emails and follow directions in the morning to ensure they are where they need to be on time.

Remember students: you need a FULLY CHARGED district device for the Biology EOC, scheduled for this Wednesday, May 15th.

The following **review opportunities** are being held this week to help our Sharks prepare for the rest of the upcoming EOCs:

- There will be a **BIO EOC review** after school on **Tuesday, May 14th** from **3-5 PM**. As mentioned earlier, the Biology EOC will be held on Wednesday, May 15.
- There will be bootcamps held for **geometry and algebra** students on Thursday, May 16 and Friday, May 17. These will be held during the school day to make sure the students who need the additional support can be helped by our great math teachers. As mentioned earlier, the Biology EOC will be held on Monday, May 20.

In addition to getting the 2024 Tiburon out to our students, we wanted to let our **rising seniors in the class of 2025** know it is time to get them started on getting their senior photos taken. Cady Studios is now accepting appointments for your 2025 senior class picture. Take advantage of early booking specials and sign up as soon as possible as the best dates and times go fast! To schedule, visit this [link](#).

Thanks and GO SHARKS!

We have hit the testing season at full speed and our students are doing AMAZING so far being prepared to test! **If you would like your child dismissed AFTER an exam is over because you've decided that it is okay for them to miss their other classes, you MUST fill out the google form posted in that course's google classroom by their teacher.** By completing the early release Google Form for testing (located at the end of this section of the callout), you are stating that your child may be released from school once they have been dismissed from their AP/AICE/EOC exam. If you have more than one child, this form must be completed for each child. **This Google Form is NOT for non-testers.** Same procedures follow for non-testers to leave campus, parents call their alpha suite and students pick up passes and leave at bell changes.

Parents must upload the completed Early Release Verification Form that requires a parent signature for the student to be released. Students listed with approval to leave campus after the exam will receive a dismissal pass on the day of the test. It will either be given to them at the end of their test session if possible OR they may pick it up from their Suite. Suite Blue (Last Name A-K) or Suite Silver (Last Name L-Z). **This form MUST be completed for each day that you are requesting to have your child released after their test.** Filling out the form once does NOT allow the students to be released for multiple days. Forms MUST be filled out by 5 PM each

day the day before testing (starts Monday afternoon for Tuesday's test). The Google Form must be filled out before each of our final **EOC's (biology, algebra, and geometry)**. The schedule of our remaining EOCs is as follows:

- **Biology EOC** will be on **May 15th** starting at **7:30am**.
- **Algebra and Geometry EOC** will both be held on **May 20th**.

Students taking either **AP or AICE exams** on these days **MUST** take their AP or AICE exams that day. EOC exams will need to be made up during the make-up period, which starts on May 10th. Please check school emails for dates, time, and locations for make-up exams. Keep in mind - **EOCs are 30% of a student's final grade** in the course and should be taken very seriously. Attached below are links to our parent testing calendar; this calendar includes dates for other tests. On the select days mentioned above, all students that are not testing and are on campus will be held in a holding room until testing is complete.

Please take a moment to review the following documents regarding testing calendars, schedules, and other important information.

- [Bell Schedules](#)
- [Testing Calendar](#)
- [Testing Blue Pass Form \(for early release\)](#)
- [AP Testing Locations](#)
- [AP Testing QR Code](#)

The **Spanish River High School Summer Reading** list is now available. You can find it on our school website and also posted in your student's English Teachers' Google Classroom. Some courses require the student to join a Summer Reading Google Classroom in addition to reading a book. Please make sure your student is aware of the requirements for their English class next year. Happy Reading!

Parents - please check your email for information on our **Summer Support Program** to see if your child has been invited to attend summer school here at Spanish River to help recover credit in any core class failures. There will be a Google Form in the email to complete for registering your child. As this program is by invitation only, only the parents of those students being invited to participate will see communication regarding this summer opportunity.

Congratulations and thank you to the following seniors for taking part in the school district's "Never Forget - Always Learn" YouTube Live presentation this past Monday, memorializing the victims of the Holocaust: **Victoria Cescato, Ilonah Fernandes, Allison Hollander, Arthur Araujo-Silva, and Ethen Cook**. We would also like to thank **Makenna Stannard and Yair Zeledon** for their help behind the scenes for participating in this event.

Congratulations on another week of recognition to our Galleon staff! This week, our student newspaper staff was led by editors **Aiden Rubinstein, London Bedell, and Monique Capille** on earning a Silver Medal from the Florida Scholastic Press Association for this year's issues.

Congratulations to freshman **Mohammad Hossein Zarif** on being recognized for his essay entry in the school district's Haitian Heritage Month Essay Contest. His essay placed fifth in the contest.

Attention **student-athletes and their families** that are planning on participating in **fall sports (football, golf, cross country, girls volleyball, swimming/diving, and bowling)** - please see the attachments to this callout regarding contacts and schedules for those sports as well as a liability form to allow students to participate in summer training.

We have a ton of exciting **sports shoutouts** to make as many of our spring teams are now into playoff season:

- Congratulations to tennis athlete **Jessica Popescu** for her selection as all-county first team by the Sun Sentinel
- Congrats to our Lady Shark **softball** team for continuing their winning ways! They went on the road to Cypress Bay High School this past Thursday and won big to move on to the FHSAA Softball Regionals. They will take on Western High School on Tuesday, May 14, 2024 at 7:00 pm. The next round game would be held on Friday, May 17, 2024 (time/opponent/location TBA). We wish the girls the best of luck as they continue a winning streak that started at the beginning of April and has reached twelve games!!! Amazing work, ladies!
- **Boys volleyball** came up short in its rematch against Boca High this past Tuesday. The team looks forward to building on its district championship winning season next year. Way to go, boys!

In addition to the previous few sports announcements, we also want to wish congratulations to our **track and field** program on their successes at regionals this week. In team competition at regionals, the **boys team** finished second and the **girls team** finished third. Individually, twelve (12!!!) student-athletes qualified for states. Great job representing our school and community to all of our athletes! These athletes are as follows:

GIRLS:

- Freshmen **Ana Barros and Ava Dobbins, and Alex Popescu**
- Sophomore **Isabel Grayson**
- Juniors **Jenna Falkins and Connelly Wallace**
- Seniors **Katelyn Sadorf and Laney Williams**
- All girls qualified in the 4 x 800m relay, and Sadorf also qualified in the 3200 Meters.

BOYS:

- Freshmen **Casey Sangely**
- Sophomores **Mac Hunt and Preston Sangley**
- Juniors **Max Cescato, Maccabee Harad, Andrew Jamen, Braden Langmaack, Daniel Reyes, and Anthony Tescano**
- Seniors **Ethen Cook, David Falkins,**
- The boys qualified in a variety of different events: the 4 x 800m relay, 800 Meters, Pole Vault, 110m hurdles, and the 400m hurdles.
